REQUEST FOR REFUND

Commissioner for Patents  
U.S. Patent and Trademark Office  
Washington, D.C. 20231

Sir:

Applicant respectfully requests that the U.S. Patent and Trademark Office (PTO) credit a refund of \$710.00 to Deposit Account No. 02-0375. The refund is requested in light of the facts set forth below.

Applicants filed the above-referenced patent application on September 27, 2001. Applicants' representatives included a Utility Patent Application Transmittal form with the above-referenced patent application (copy enclosed). Applicants' representatives authorized the PTO to charge the \$710.00 filing fee to Deposit Account No. **20-0668**, and did not authorize the PTO to charge the \$710.00 filing fee to Deposit Account No. 02-0375. On September 28, 2001, the PTO erroneously charged the \$710.00 filing fee in the above-referenced patent application to Deposit Account No. 02-0375. Applicants' representatives respectfully request that the PTO refund the \$710.00 filing fee charged to Deposit Account No. 02-0375, and charge the \$710.00 filing fee to Deposit Account No. **20-0668**. If the PTO believes that a further interview with Applicants' representatives, either in person or by telephone, would expedite the processing of

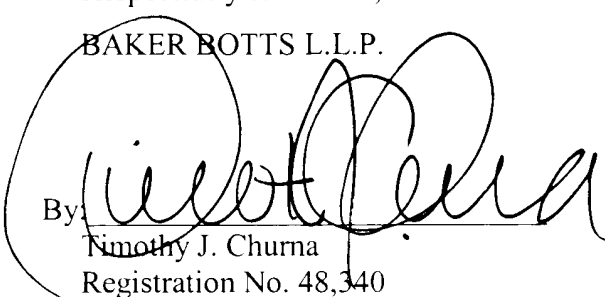

this refund, we would welcome such an opportunity.

Respectfully submitted,

BAKER BOTTS L.L.P.
